

# Certificate of Analysis

|                |           |
|----------------|-----------|
| Product Name:  | AzGGK TFA |
| Cat. No.:      | GC73206   |
| Batch No.:     | 1         |
| Chemical Name: |           |

## PHYSICAL AND CHEMICAL PROPERTIES

|                    |                                                                              |
|--------------------|------------------------------------------------------------------------------|
| Cas. No.:          |                                                                              |
| Molecular Formula: | C <sub>12</sub> H <sub>19</sub> F <sub>3</sub> N <sub>6</sub> O <sub>6</sub> |
| Molecular Weight:  | 400.31                                                                       |
| Storage:           | Sealed storage, away from moisture                                           |

## ANALYTICAL DATA

|             |                                                                         |
|-------------|-------------------------------------------------------------------------|
| Appearance: | A solid                                                                 |
| HNMR:       | Consistent with structure                                               |
| HPLC:       | Consistent with structure                                               |
| Purity:     | >99.00%                                                                 |
| Conclusion: | The product has been tested and complies with the given specifications. |
