

## PHYSICAL AND CHEMICAL PROPERTIES

|                |             |
|----------------|-------------|
| Product Name:  | Isoescin le |
| Cat. No.:      | GC60945     |
| Batch No.:     | 1           |
| Chemical Name: |             |

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Cas. No.:          | 1613506-28-7                                    |
| Molecular Formula: | C <sub>49</sub> H <sub>76</sub> O <sub>19</sub> |
| Molecular Weight:  | 969.12                                          |
| Storage:           | Store at -20°C                                  |

Chemical Structure:

|             |                                                                         |
|-------------|-------------------------------------------------------------------------|
| Appearance: | solid                                                                   |
| HNMR:       | Consistent with structure                                               |
| HPLC:       | Consistent with structure                                               |
| Purity:     | >98%                                                                    |
| Conclusion: | The product has been tested and complies with the given specifications. |
