

# Certificate of Analysis

|                |          |
|----------------|----------|
| Product Name:  | Pinealon |
| Cat. No.:      | GC74371  |
| Batch No.:     | 1        |
| Chemical Name: |          |

## PHYSICAL AND CHEMICAL PROPERTIES

|                    |                                                               |
|--------------------|---------------------------------------------------------------|
| Cas. No.:          | 175175-23-2                                                   |
| Molecular Formula: | C <sub>15</sub> H <sub>26</sub> N <sub>6</sub> O <sub>8</sub> |
| Molecular Weight:  | 418.4                                                         |
| Storage:           | Sealed storage, away from moisture                            |

Chemical Structure:

## ANALYTICAL DATA

|             |                                                                         |
|-------------|-------------------------------------------------------------------------|
| Appearance: | A solid                                                                 |
| HNMR:       | Consistent with structure                                               |
| HPLC:       | Consistent with structure                                               |
| Purity:     | >99.00%                                                                 |
| Conclusion: | The product has been tested and complies with the given specifications. |
