

## PHYSICAL AND CHEMICAL PROPERTIES

|                |           |
|----------------|-----------|
| Product Name:  | Osanetant |
| Cat. No.:      | GC38829   |
| Batch No.:     | 1         |
| Chemical Name: |           |

|                    |                                                                               |
|--------------------|-------------------------------------------------------------------------------|
| Cas. No.:          | 160492-56-8                                                                   |
| Molecular Formula: | C <sub>35</sub> H <sub>41</sub> Cl <sub>2</sub> N <sub>3</sub> O <sub>2</sub> |
| Molecular Weight:  | 606.62                                                                        |
| Storage:           | Store at -20°C                                                                |

|             |                                                                         |
|-------------|-------------------------------------------------------------------------|
| Appearance: | A solid                                                                 |
| HNMR:       | Consistent with structure                                               |
| HPLC:       | Consistent with structure                                               |
| Purity:     | >98.00%                                                                 |
| Conclusion: | The product has been tested and complies with the given specifications. |

**Address: 10292 Central Ave. #205, Montclair, CA, USA**
