

## PHYSICAL AND CHEMICAL PROPERTIES

|                |                |
|----------------|----------------|
| Product Name:  | Agathisflavone |
| Cat. No.:      | GC70455        |
| Batch No.:     | 1              |
| Chemical Name: |                |

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Cas. No.:          | 28441-98-7                                      |
| Molecular Formula: | C <sub>30</sub> H <sub>18</sub> O <sub>10</sub> |
| Molecular Weight:  | 538.46                                          |
| Storage:           | 4°C, protect from light, stored under nitrogen  |

|             |                                                                         |
|-------------|-------------------------------------------------------------------------|
| Appearance: | A solid                                                                 |
| Conclusion: | The product has been tested and complies with the given specifications. |
