

Product Data Sheet

Product Name: Rabbit Hemoglobin

Cat. No.: GC81629

Chemical Properties

Cas. No.

Formula

M.Wt

Solubility

Storage Store at -20°C

General tips For obtaining a higher solubility , please warm the tube at 37 °C and shake it in the ultrasonic bath for a while. Stock solution can be stored below -20°C for several months.

Shipping Condition Evaluation sample solution : ship with blue ice All other available size: ship with RT , or blue ice upon request.

Structure

Rabbit Hemoglobin

Background

Rabbit Hemoglobin is a hemoglobin derived from rabbit. Hemoglobin is a iron-containing protein in red blood cells with oxygen binding properties. Hemoglobin is an inducer of HO-1. Hemoglobin

Caution: Product has not been fully validated for medical applications. For research use only.
